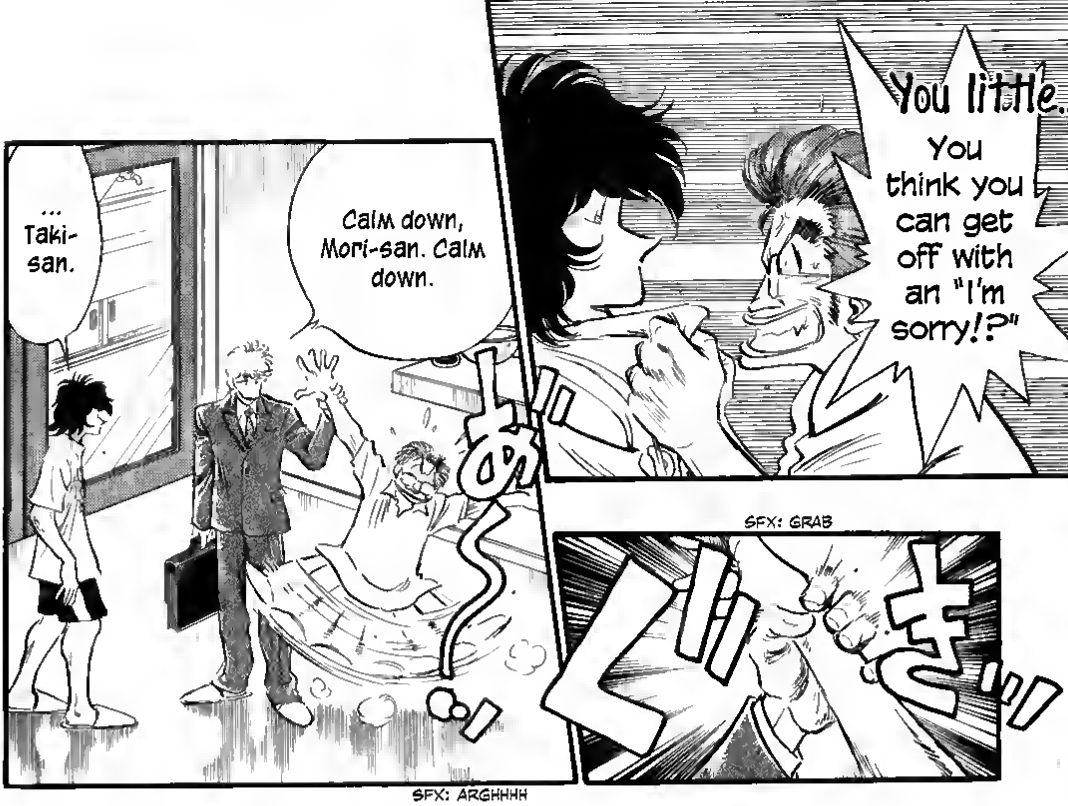
SFX: SNAP CRUNCH

SFX: ARGH

Your muscles have been completely strained.
You're not going to be able to move for easily another two to three days.
Geez, why'd you have to go and do that?
You should consider yourself lucky that you didn't break anything!
Hmpf!
あああ
SFX. AHHHHHHHHHH
You fool!!
What's the meaning of this, Takamura!?
Thanks to Oosawa, my precise training schedule is all messed up!
With the Asian Games right around the corner, the national team is at a critical stage right now.
I apologize...
SFX: SLAM
What's that old guy's problem?
He thinks he's so great.
Who knows?

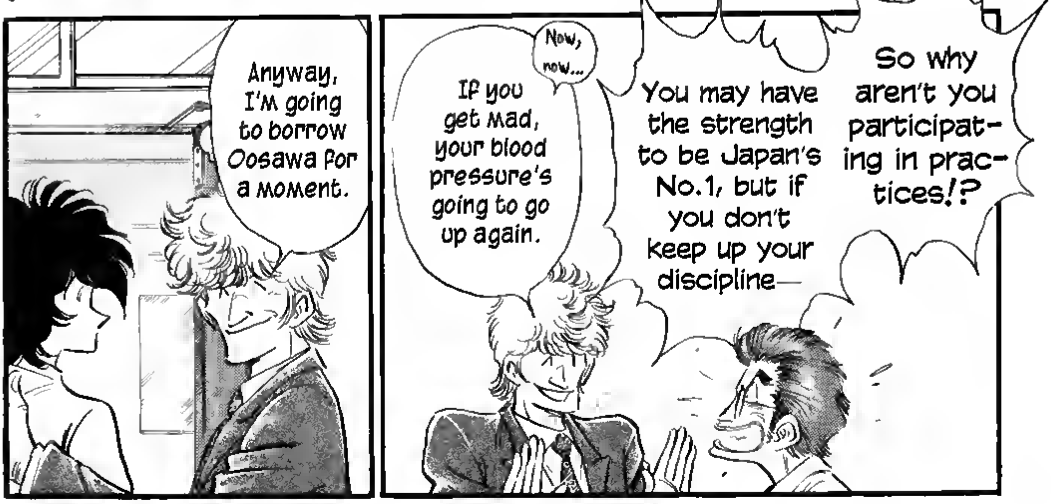
National Team Head coach, Mori Shigeo (age 49).
Also known as "Shige the Wall".
That is to say, he's one fusty old coach.
Who's that?
Dunno.
Keh!
Taka-mura!!
What'll you do to make amends !?
How do you plan to take respon-sibility for this!?
It doesn't have any-thing to do with Coach Takamura.
I went and joined in by myself...
I'm sorry.
7



You little...!
You think you can get off with an "I'm sorry!?"
... Taki-san.
Calm down, Mori-san. Calm down.
SFX: GRAB
SFX: ARGHHHH

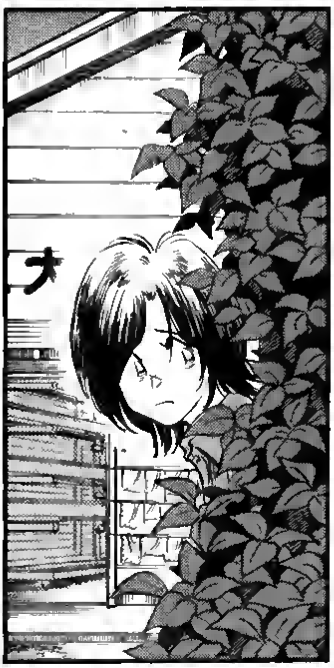
Yes.
I'm here on a business trip.
I thought you were working!
What're you doing here!?
T-Taki!

8



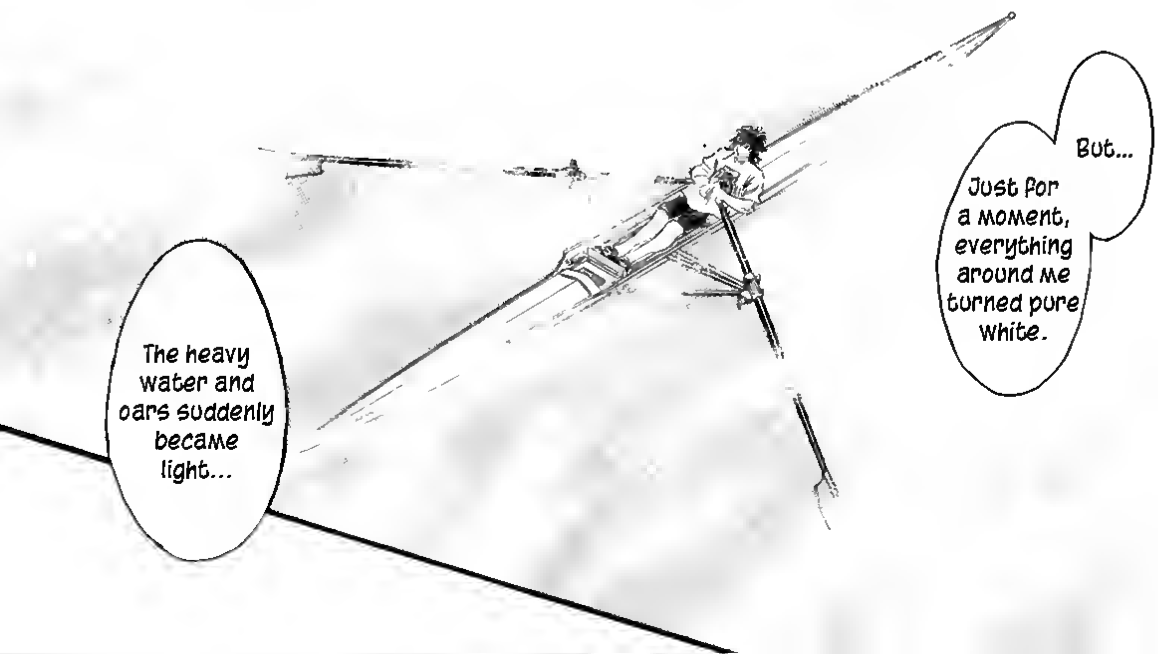
Anyway, I'm going to borrow Oosawa for a moment.
Now, now...
If you get mad, your blood pressure's going to go up again.
You may have the strength to be Japan's No.1, but if you don't keep up your discipline—
So why aren't you participating in practices!?

They should stop at around 2 or 3...
What are you guys doing!?
Now, now...
Now, now...
Now, now...
I'm not done yet...
Now, now...
W-wait!
Now, now...



Well?
Did you see it?
Huh?
"Beyond the wind," I mean.

I...
don't really know.



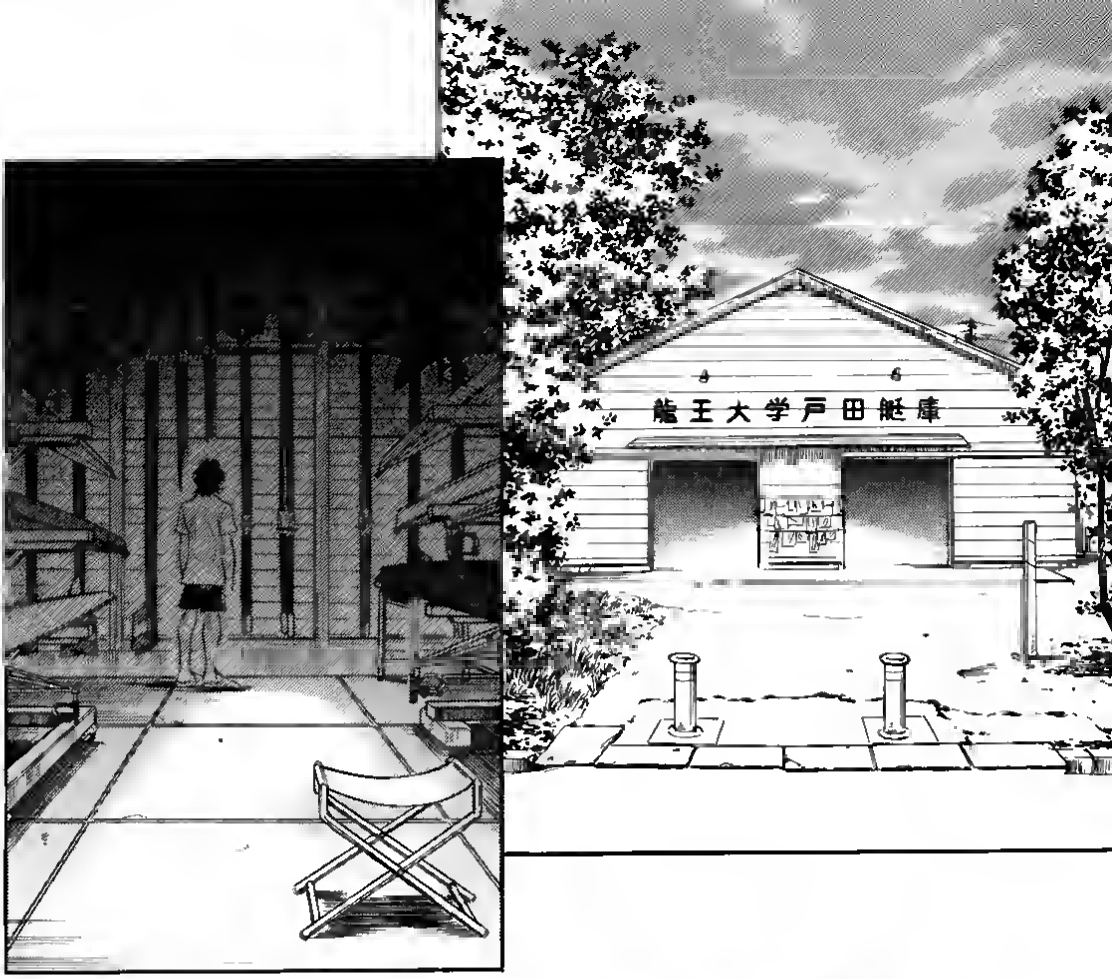
But...
Just for a moment, everything around me turned pure white.
The heavy water and oars suddenly became light...

Ha!
You've got quite a way left to go, then.
SFX: SLAP
It's not easy to enter that world.
Well...
Keep at it.

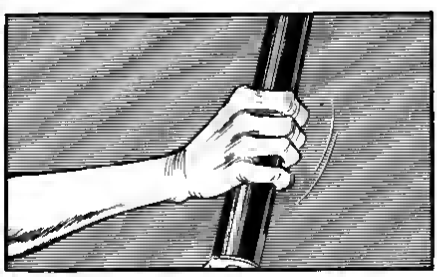
Oosawa ...
Why don't you... come to my place...?

Rather than training here, I think you'll have a better chance over there...
OP going "beyond the wind", I mean...

Provided that...
you're resolved even for destruction!



14



But,
beyond
that point
is...
The world
that you
saw...
Kurata,
it's
seriously
hard...
Getting into
that world
is extremely
difficult...

16
What's up?

What's wrong?
Wh-What ...?
Don't go.
You mustn't go...
Not to Taki-san's place...
17
Please don't...
stop...
row anymore.
Please...

Please don't follow Kurata-kun any farther!
If you keep going,
you could...
Even you may also...

So please ...
Just stop.
SFX: SHOVE
ばっ
O-Oosawa-kun!

Sorry,
but I can't stop now...

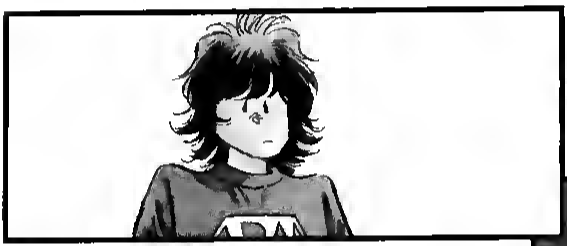
Welcome to Matsuyama!



So you came after all...

Yeah
I came, but...
Where exactly are we supposed to row, Taki-san?
Take a look in front of you.

SFX: SPLASH

He's good.
Hmmm...

I thought it'd be impossible with the waves,
but it's simpler than I'd expected.

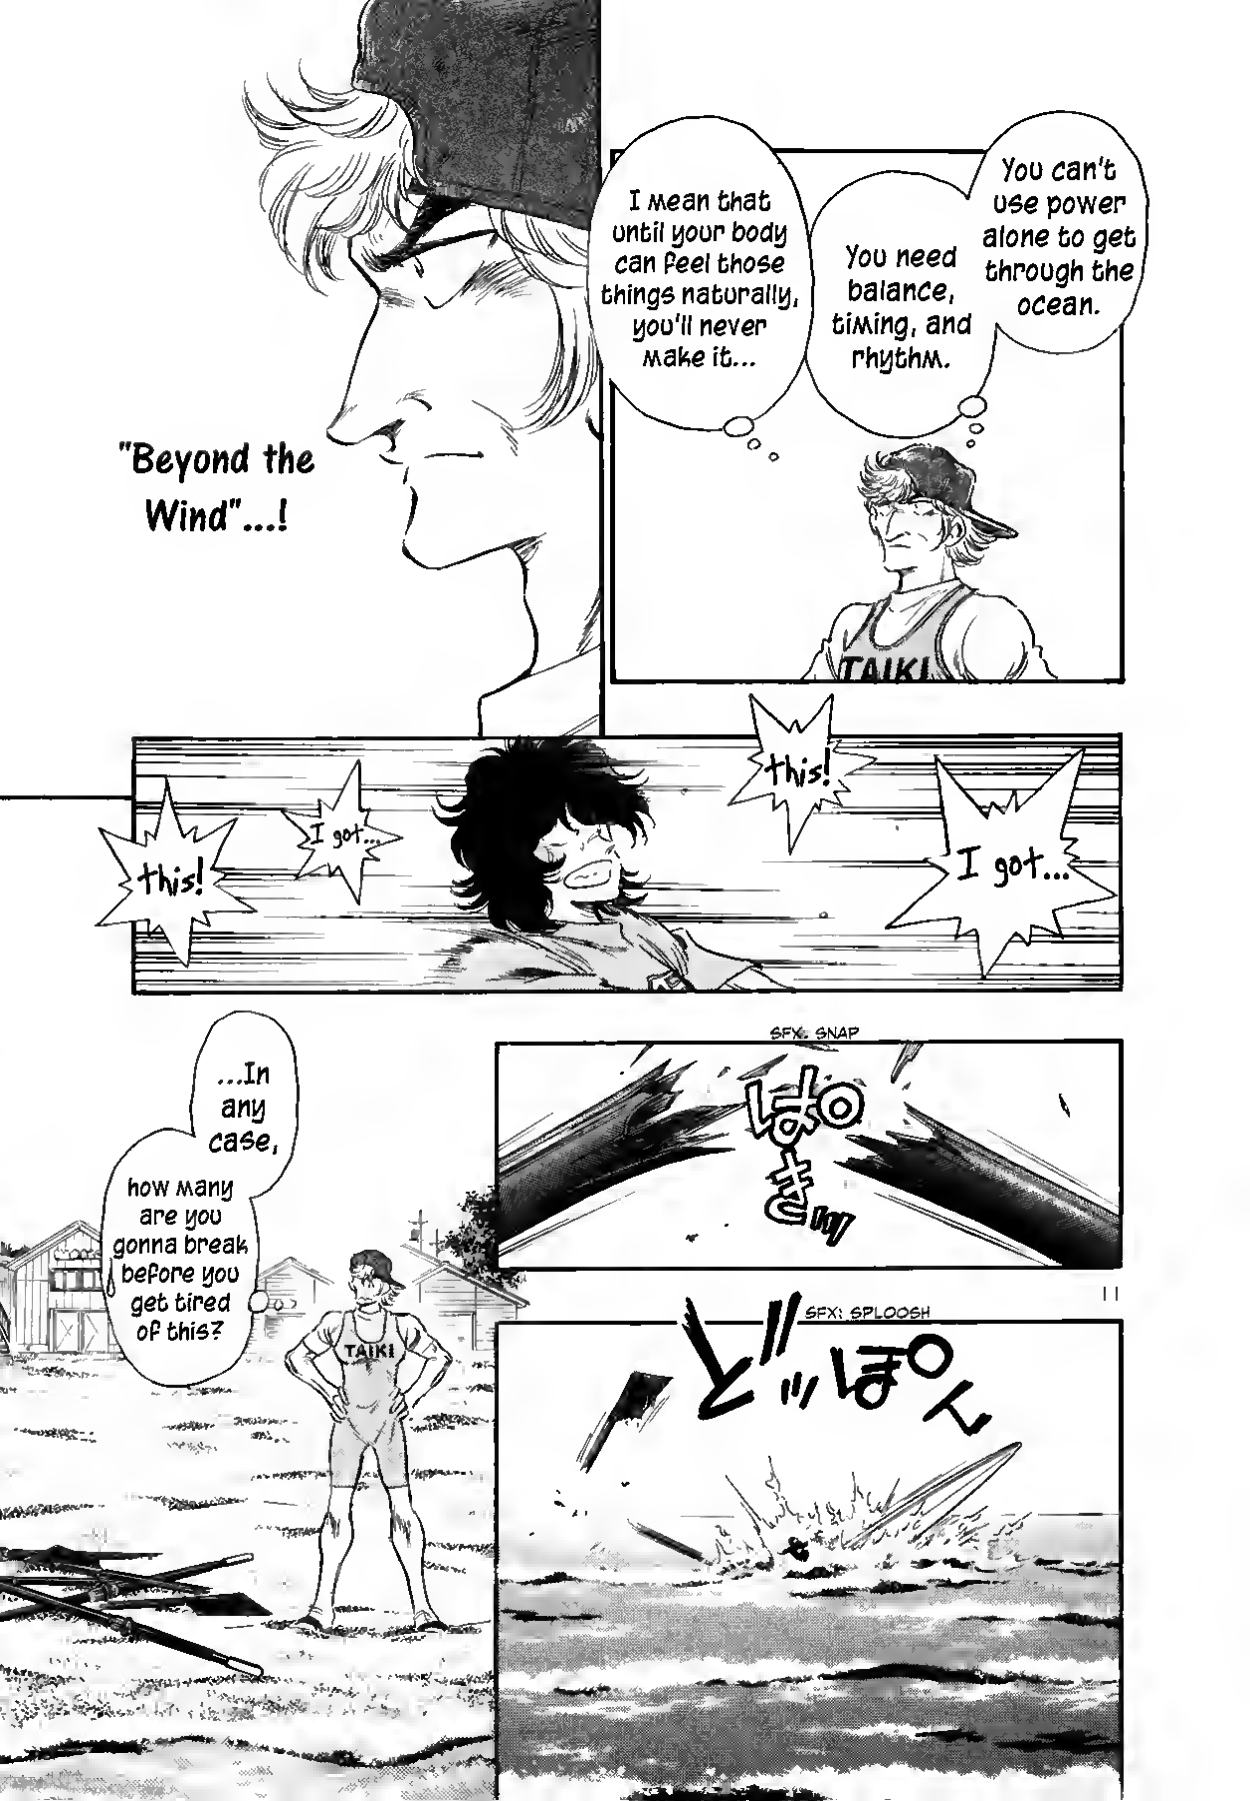
It's enough to take on the national team...
Oosawa, your most distinguishing characteristic is that monstrous power.
your weakest point.
But, Oosawa, that power is also...
If you try to muscle through the water like how you're doing today, you'll end up fighting with it...
That could be your downfall.



"Beyond the Wind"...!
I mean that until your body can feel those things naturally, you'll never make it...
You need balance, timing, and rhythm.
You can't use power alone to get through the ocean.

Haven't you ever heard of how boxers abstain from worldly pleasures before a match, in order to ensure glory?
It's just like that!
You really are...

Why do you have to hold back?
Hold back?

Maybe she was listening in on what Taki-san said earlier...
and now she's out to get me?

Is... that...

Oosawa's incredible...
What power...
hh!
ah
Aa
aa
ZRC
Could this be...
Could we possibly...
It's completely different from practice.
Incredible, West High!!
They're still increasing their lead against East High!
What's gonna happen !?
SFX ROAR

If we don't go after them...
We've gotta step it up...
If they get any further ahead...
This is dangerous...
EHIME
Keep calm, and carry on!
It's not time to worry about winning or losing yet!
Calm down!
We won't lose!
We'll win for sure!
But... Kurata...
It's fine!
I trust my strength!
If we leave it like this...

They're going full tilt!
There's the 500m mark!
Fascinating!
Go, West High!
West High's still in the lead!
250m remaining!
7
150m remaining!
We'll beat East High...
For the first time!!
200m remaining!
We can make it...!

It's East High!!
East High pulls ahead and across the finish line in one thrust!!
SFX: CHEER

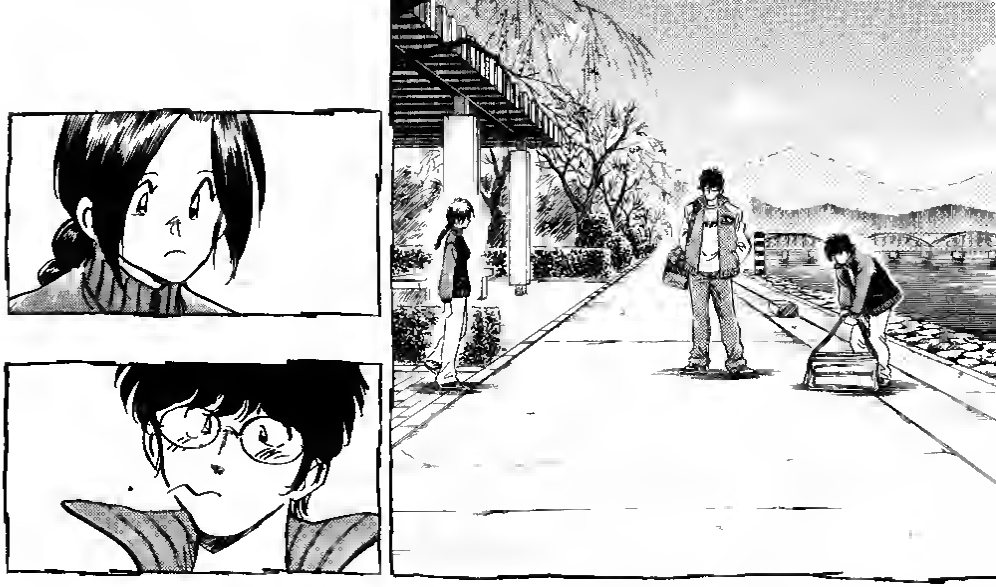
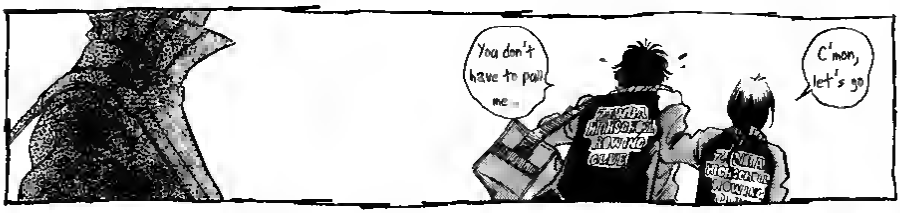
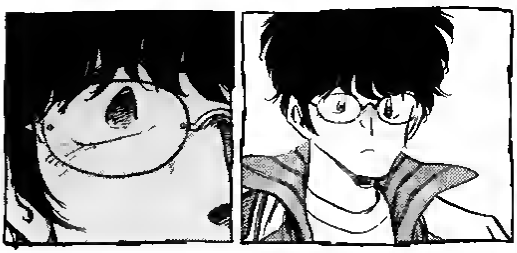
What was that... that guy...
Ah

How long have you been rowing?
Oh
Umm...
About a month...?
What? A month...!?
So what?
What're you doing, Oosawa-kun!? We're leaving! Everyone's waiting for you!





You don't have to pull me...
C'mon, let's go



12

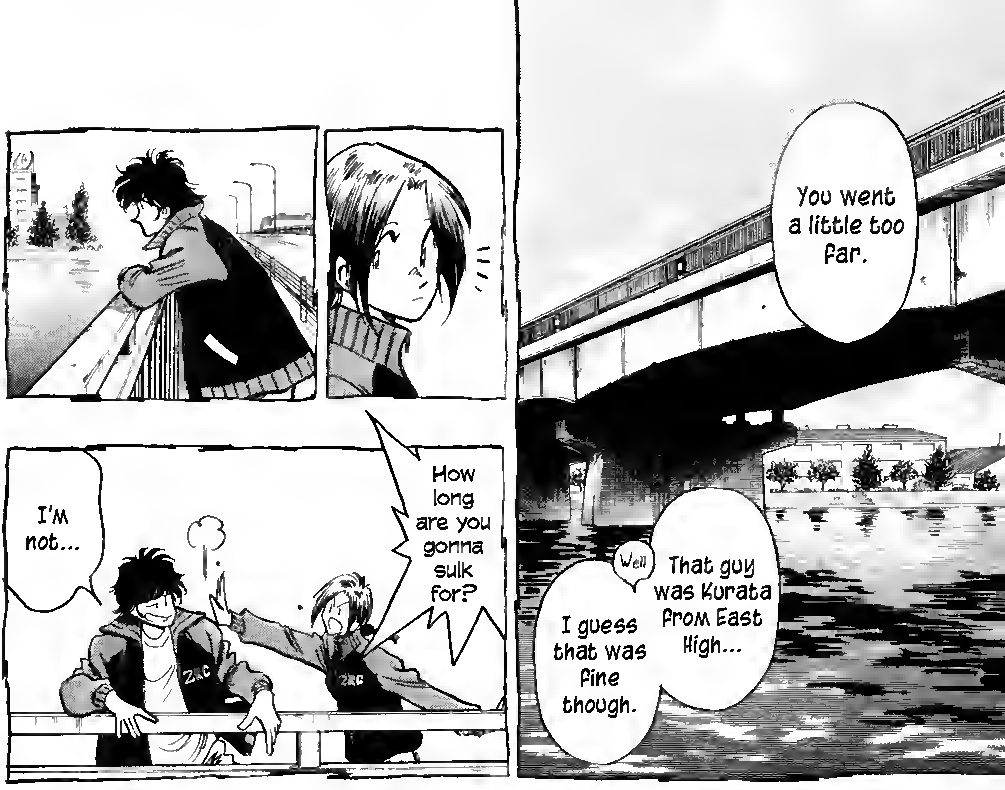
Don't kid yourself...

Mmm
Well... yeah...
You were so close...
That was too bad...

You weren't anywhere close.
You clearly lost.
13

At your level, I can't even consider you guys opponents.

We'll win!
I can't say we'll win next time...
But we'll definitely catch up someday.
ZRC
14
We'll win!
We'll catch up...
And we'll surpass you...



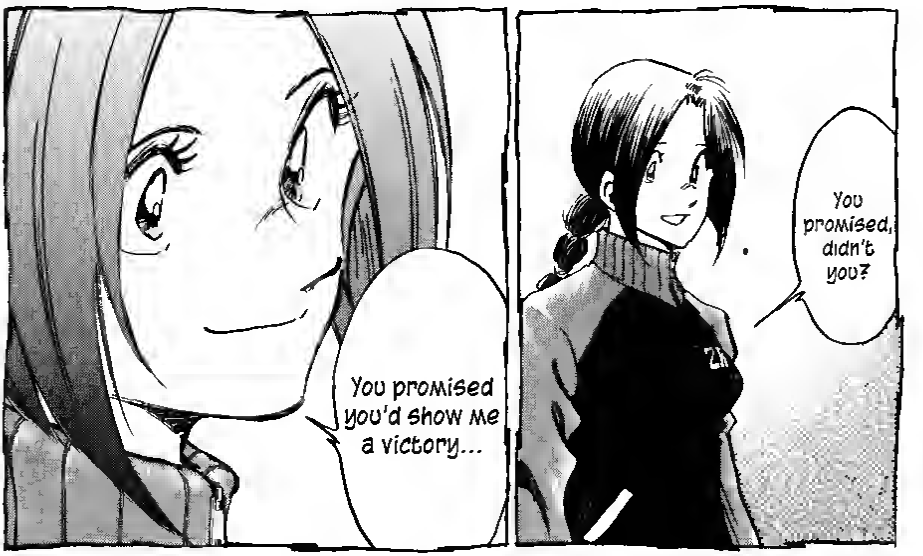
You went a little too far.
Well
That guy was Kurata from East High...
I guess that was fine though.
How long are you gonna sulk for?
I'm not...

His form was so clean...
So beautiful that I got distracted for a second...
I just...
Remembered how he was rowing...

That guy's strong...
Really strong...
ZRC
Hey...
Huuuh?
You can tell?
ZRC

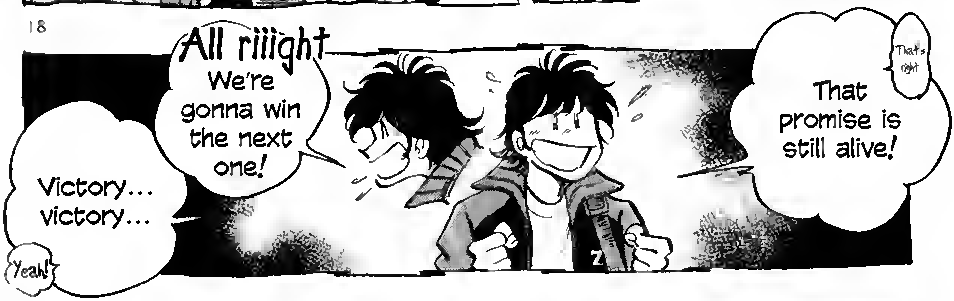
It can't be...
that you're lacking in confidence?

17

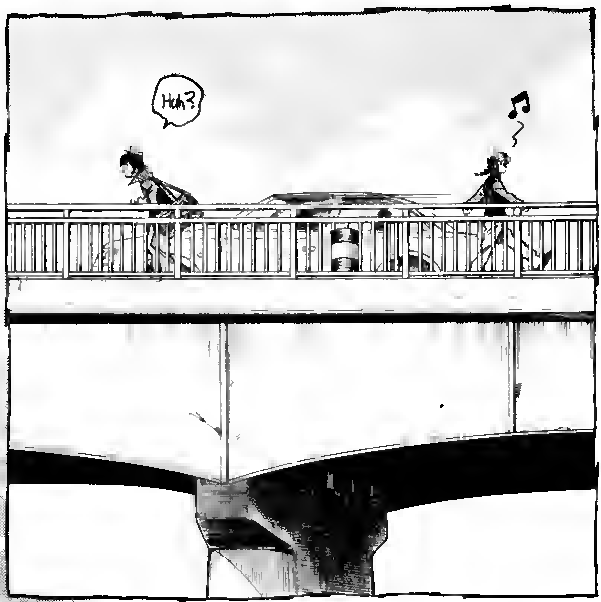


You promised you'd show me a victory...
You promised, didn't you?

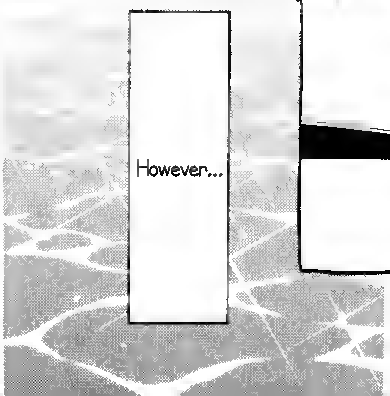
'Cause I promised!
So we've gotta win!
Sure I did!



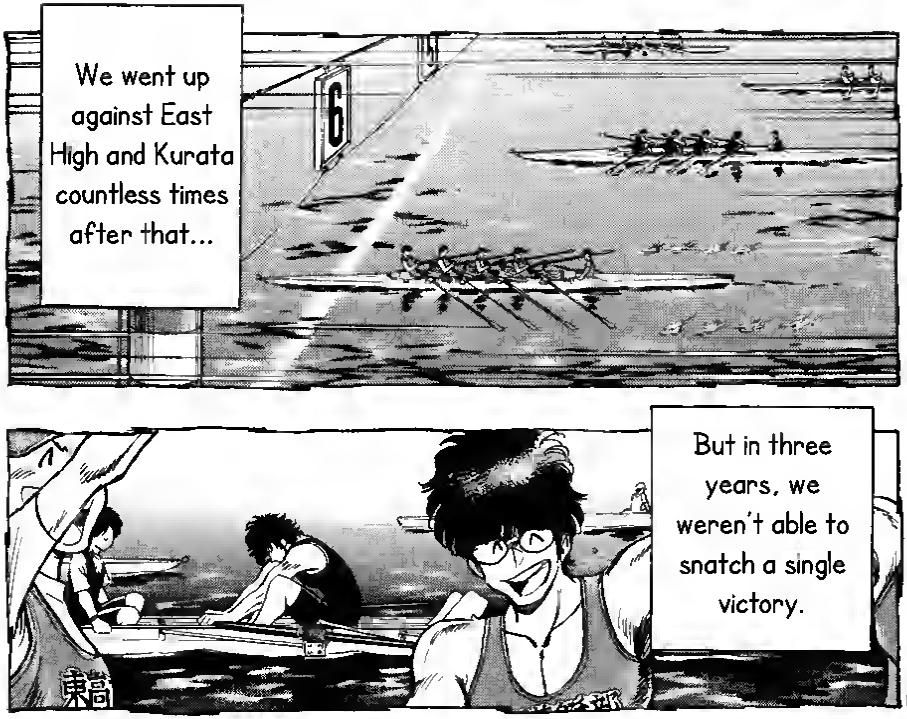
All riiight
We're gonna win the next one!
Victory... victory...
Yeah!
That promise is still alive!
That's right



Huh?



However...



We went up against East High and Kurata countless times after that...
6
But in three years, we weren't able to snatch a single victory.
東高

Grr
That was when...
I first started chasing after him.

He's gone now, but...
I'm still chasing his shadow...

Kurata ...

I'm going to win this time...

I'm finally going to... win against you!!

始まりは静寂を破った一発の銃弾だった。
テロリスト“蝶（バタフライ）”に妻子を殺され、
自らも右手を奪われたSAT隊員・橘 雁人（たてかりと）。
復讐を誓うが、彼は“死”を否定し、
やがて“不殺”の護り屋「無敵の橘（イース）」となる。
その“護り”はパーフェクトだけれども、
彼の背中には消せない十字の傷がある。
忌まわしき悪魔の紋章を刻んだのは“蝶（バタフライ）”、
憎悪と絶望とを背負う運命の傷でもあった。
伝説の殺し屋・ジーザスにも同じ傷がある。
フリーの殺し屋・ゼロの頭の中には弾丸が
残っており、その傷ゆえに感情がない。
彼らの存在は亡霊もしくは死者、
生きる世界は闇あるいは地獄。
たとえば彼らが神に楯突いたとしても、
たぶん神はすべて承知の上。
